With Sage AutoPay, I authorize Sage Telecom to automatically charge my credit card to pay the Total Amount Due as reflected on my invoice each month. I agree to the following: I will receive an invoice or notice of an online invoice at least ten days before the due date; variations in usage, service, taxes and/or fees affect the amount of my monthly charges on the invoice; and if my credit card company rejects an automatic payment, Sage Telecom may charge a return fee, and I will be subject to Sage's late payment and/or suspension policies as then in effect.* The automatic monthly charge to my credit card will occur up to four business days before the payment due date on my Sage Telecom invoice, and I will continue to pay my bill as usual until Sage AutoPay is fully initiated. I can cancel my Sage AutoPay payment authorization by notifying Sage Telecom at www.sagetelecom.net or by calling 1-888-449-4940. If I cancel my Sage AutoPay payment authorization, I am responsible for making arrangements to pay the total amount due on my Sage Telecom invoice each month.
